TACEM: Advanced Topics in Materials Science and Engineering

AI: Industrial Automation

SHO: Occupational Safety and Health

PCQ: Quality Planning and Control

PMIRS: Project in Innovation Materials Re- cycling and Sustainability

LM:Lean Management

SEI:Industrial and Entrepreneurial Seminars

**DO NOT
CHOOSE AI**

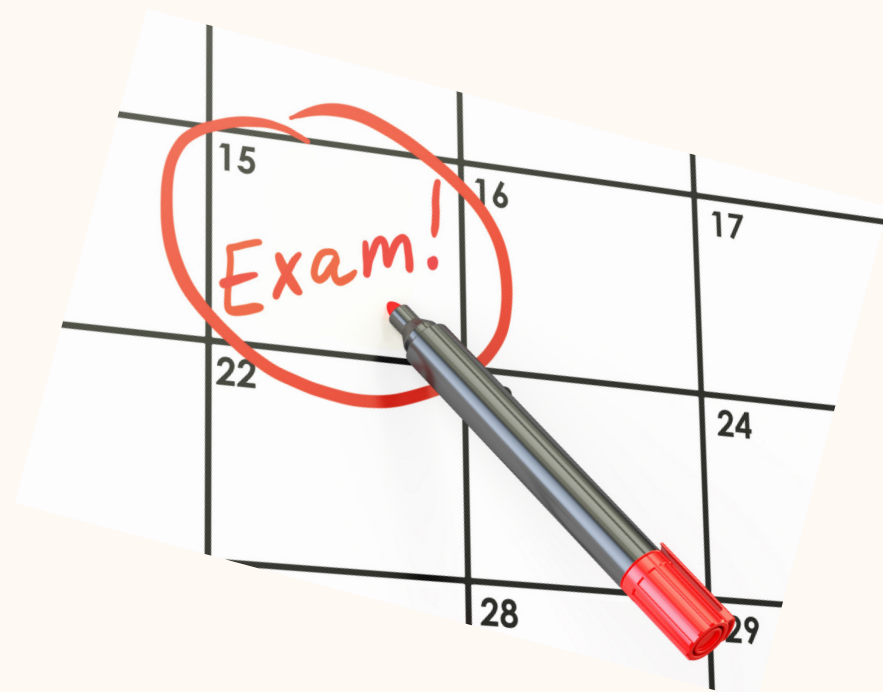

**very dense and
complex**

RECOMMENDED

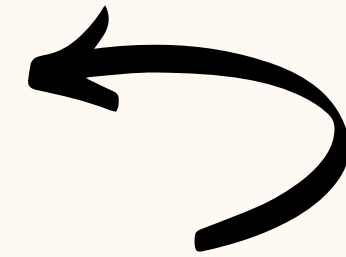

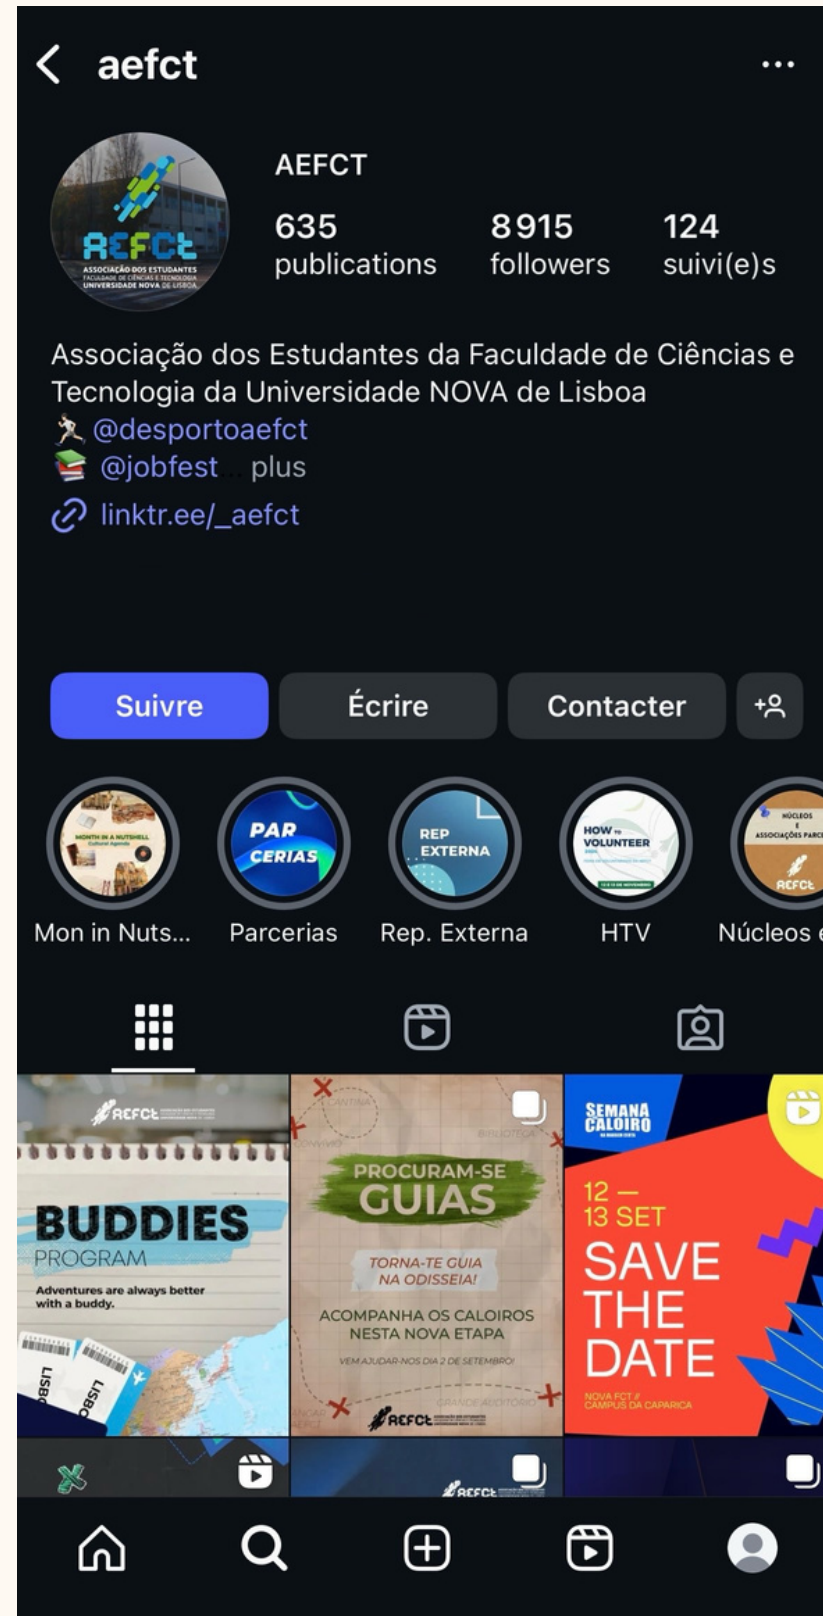

NON-RECOMMENDED

EXAMS

- Written exams (may and June)
- Online tests
- Oral presentation (group or individual)
- Group activities

STUDENT LIFE OUTSIDE THE CLASSROOM

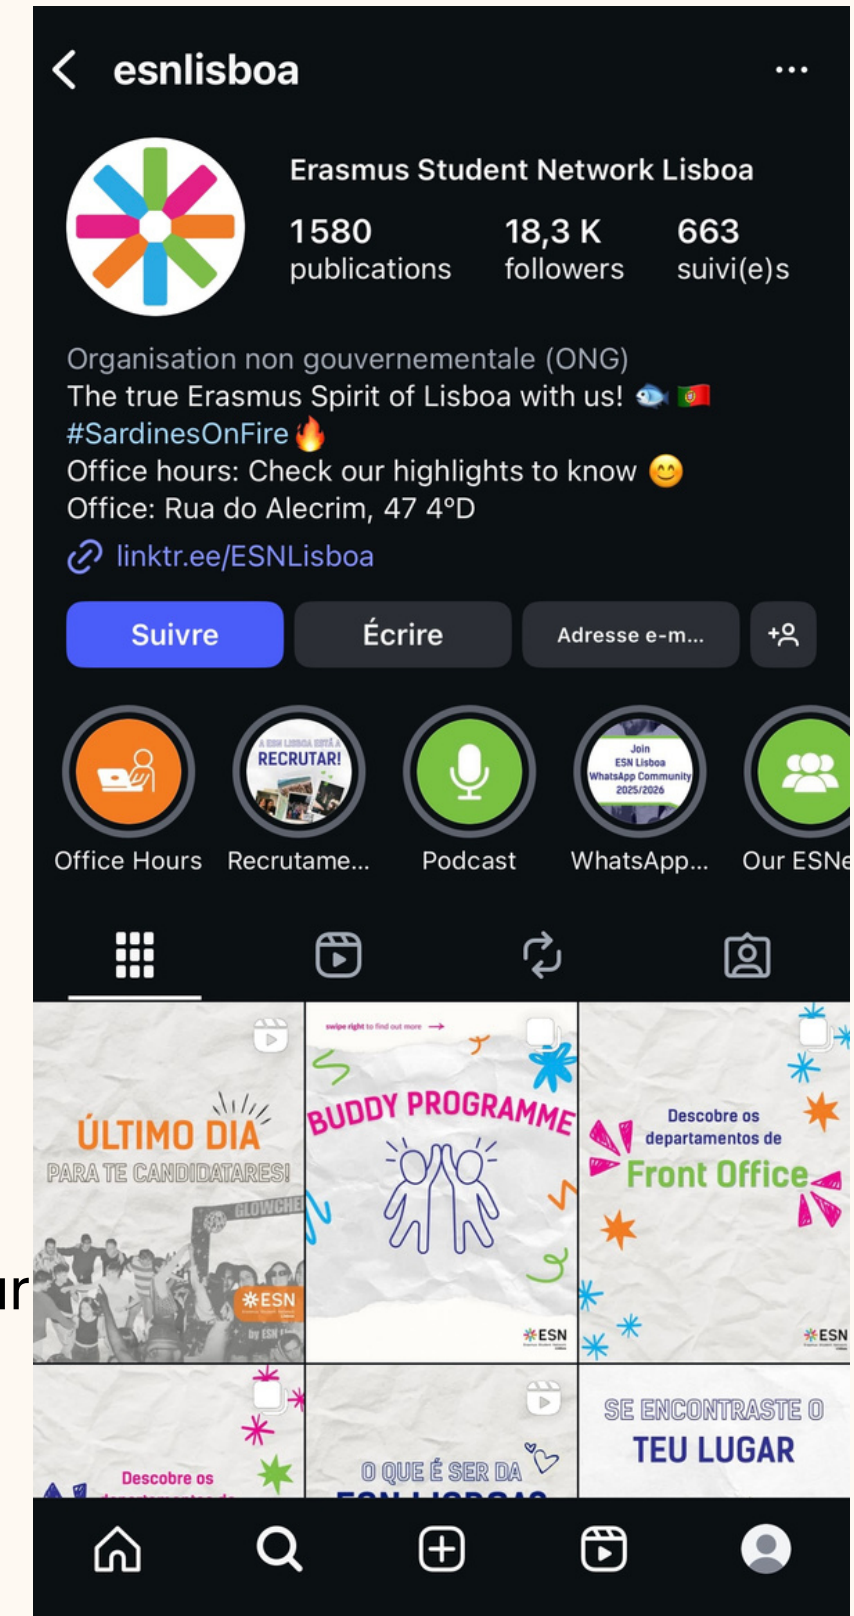

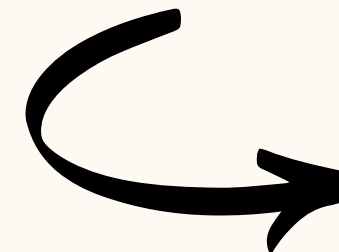

The student association's Instagram page:

- organizes a meeting with their buddy
- organizes a week of activities for Erasmus students

The Instagram page of Erasmus Student Network Lisbon:

- organizes numerous events and activities (sport, music...) all year round

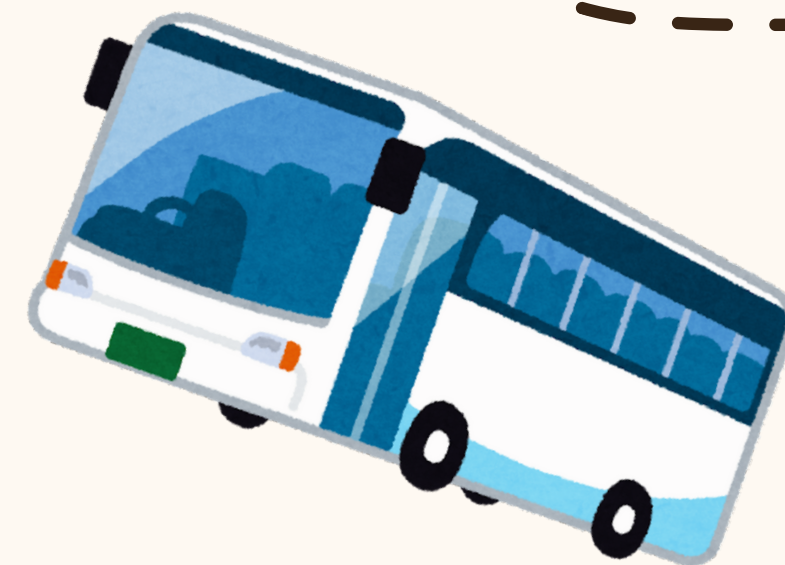

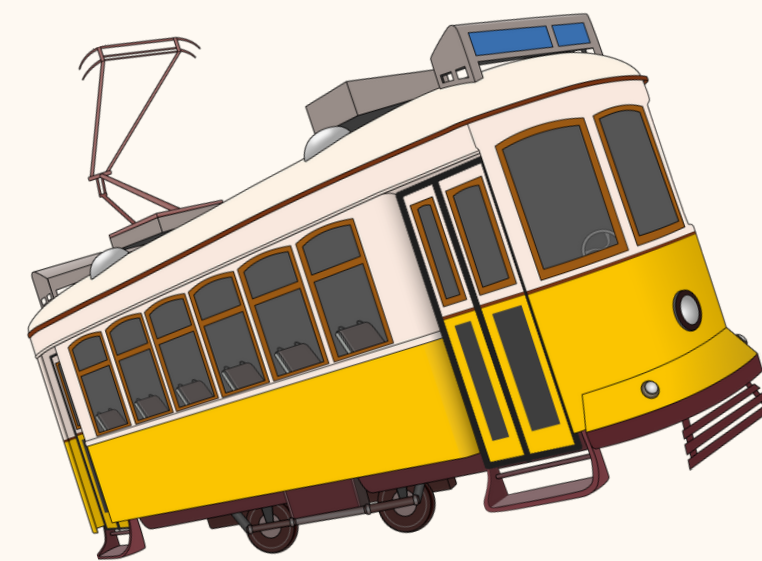

TIPS

Navegante Card

Free under 23 years old
(Go to the finances to get a
Portuguese NIF)

TIPS

- Cheap
- Possibility to travel across Portugal by FlixBus

MOBILITY GRANTS

↪ Transport grant between **€100** and **€400**

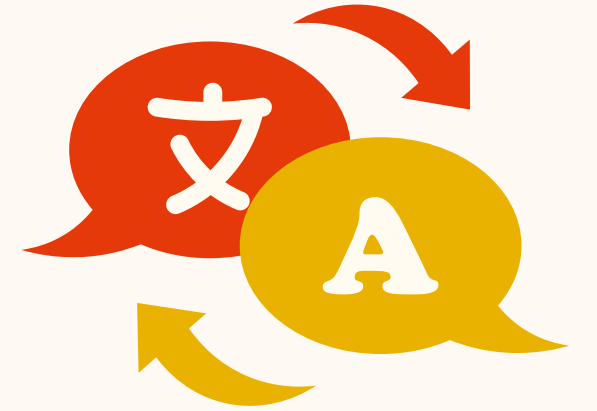

↪ regional aid between **€200** and **€1,100** distributed over the entire stay

↪ Up to **€400** per month depending on whether you are a scholarship holder or not

↪ Your CROUS grant is maintained

PREPARATION ADVICE

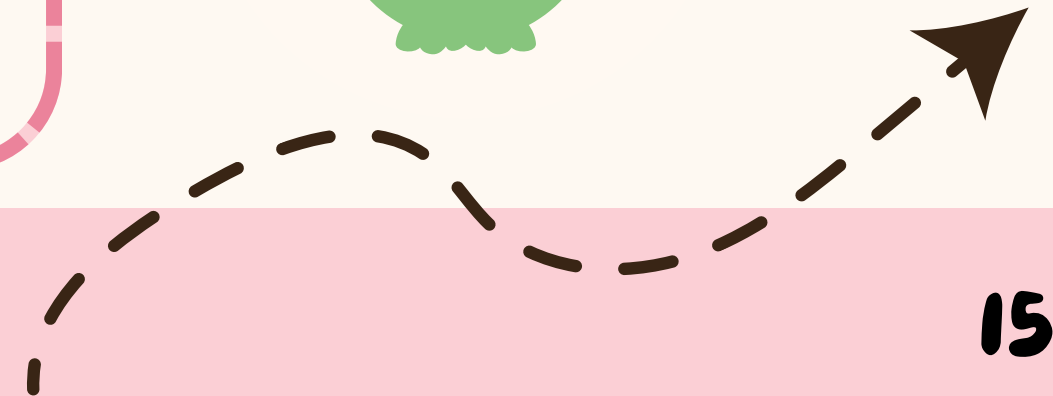

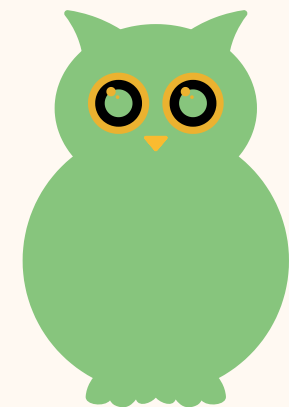

Language

Learn some basics of Portuguese (polite phrases, everyday expressions) → helps connect with locals.

Don't be afraid to mix English/gestures/Portuguese, Lisboetas are usually understanding.

Apps (Duolingo, Tandem) are useful right from the start.

PREPARATION ADVICE

Interculturality.

Pay attention to local habits (meal times, punctuality, use of public space).

Portuguese people are quite flexible and relaxed with schedules

*Fado, surfing,
student associations*

Get involved in local activities instead of staying only with Erasmus groups

THANK YOU
