

An aerial photograph of a university campus. In the foreground, a circular building with a blue and white striped tower on its roof is visible. The number '47' is printed on the side of this building. To the right, there are several multi-story rectangular buildings with many windows. The campus is surrounded by green trees, and in the background, there are rolling hills covered in dense forest under a hazy sky. A semi-transparent blue rectangle is overlaid on the left side of the image, containing the title text.

An aerial photograph of a large university campus. The image shows several large, multi-story academic buildings with varying architectural styles, including a prominent circular building. The campus is interspersed with green trees and lawns. In the foreground, there are parking lots filled with cars. A semi-transparent blue rectangular overlay covers the central portion of the image, and the word "QUESTIONS ?" is written in white capital letters across this area.
